Steve and his coaching staff have fantastic experience working to achieve efficient, powerful positions with some of the top names in cycling like **David Millar, Dave Zabriskie, Tom Danielson, Marisa Owens, Taylor Phinney, Magnus Backstedt, Dotsie Bausch** and many others at the CPT wind tunnel.

Steve will cover:

- The importance of aerodynamics
- How aerodynamics applies to you
- Free Tips on improving your performance in a TT
- Aerodynamic differences in equipment

*Everyone that attends will receive a special promotional offer from CPT.

This is a free clinic. We are asking attendees to make a donation to San Tan's Elementary School Bicycle Safety Awareness program.

Steve will also be performing individual bike fits at Paragon (TT, road or mountain bike) Thursday, Friday and Saturday for \$150. Each bike fit takes 2 hours. Please reply to info@santanracing.com to schedule a fit.
